GHASILI

A laundry service website

06/2023

GHASILI establish a state-of-the-art laundry service that caters to the needs of individuals and businesses in our community. We recognize the growing demand for convenient, reliable, and eco-friendly laundry solutions, and our goal is to meet and exceed those expectations.

GREENMIND

A plant selling website

01/2023

GREENMIND aims to launch a user-friendly e-commerce platform, catering to plant and gardening enthusiasts. We respond to urban demand for easy plant access.

ORGANIZATIONS

sunmence

Manager

03/2023 – present | ogbomoso, Nigeria

sunmence is a professional service firm that specializes in creating and managing websites and other online assets for individuals, businesses, or organizations. These agencies typically offer a wide range of services related to web design and development and my role is to oversee various aspects of the agency's operations, ensuring that projects are delivered successfully, clients are satisfied, and the agency operates efficiently.
